OUR LOGO

VISION **G**REEN **S**TUDI
ARCHITECTS - ENGINEERS

"VISIONEERING
R-KEY-TECH-TRUE"

OUR MOTTO

Good design combines usefulness with at least one of the following:

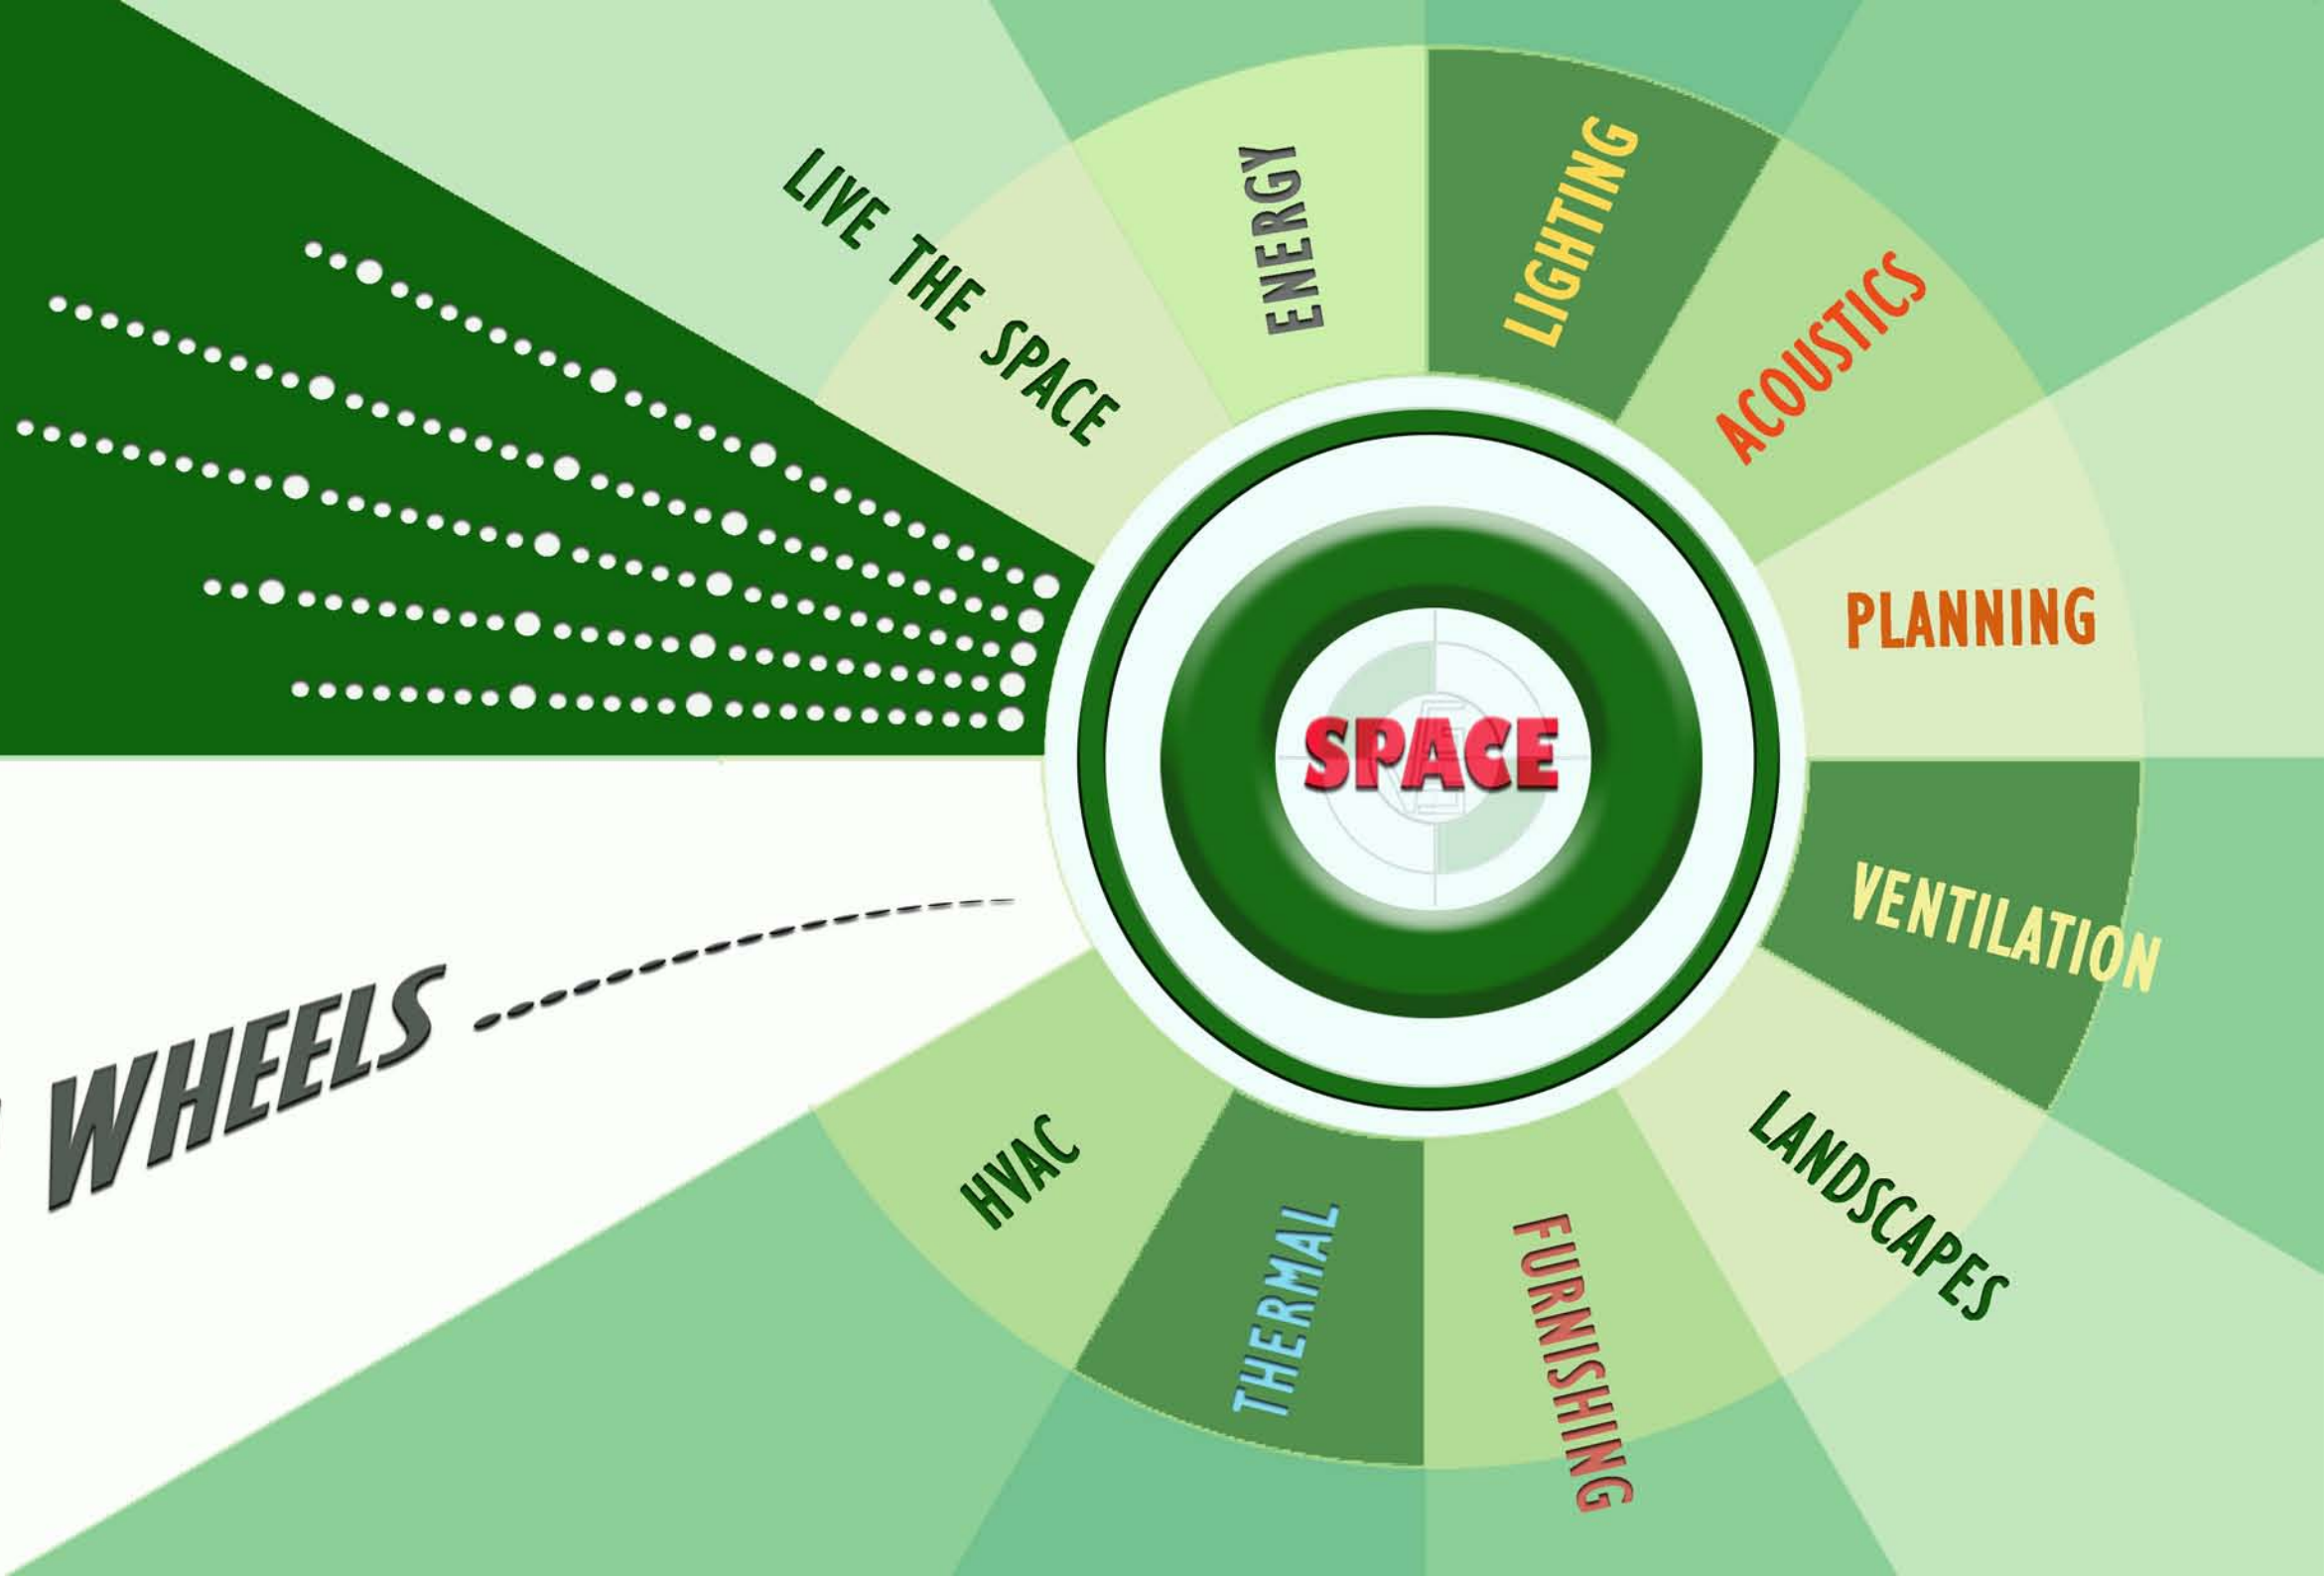

BEAUTY
COMFORT
DURABILITY
ECONOMY
EFFICIENCY

"WE TRULY KEY IN YOUR DREAMS BY VISIONEERING
WITH LATEST TECHNOLOGY"

FROM THE DIRECTOR

"To me, design is about the hope that sparks in an insight... an insight that often springs whole from moments of clarity in seeing into a systems' behaviour... an insight that allows others to see and engage, building towards an inventive and useful whole."

VGS DESIGN WHEELS

ABOUT US

The team at **VGS** are primarily **Architects and Engineers** and has varied experience and expertise of more than a decade in providing professional interior design, contracting and project management solutions and services to Architects, Builders & Developers offering state of the art expertise on the design and implementation of the building envelope. The combination of world class experience, customer centric process and the best practices allows us to deliver a quality services and mouth-taking solutions to our clients “ **ON TIME WITH IN THE BUDGET**”.

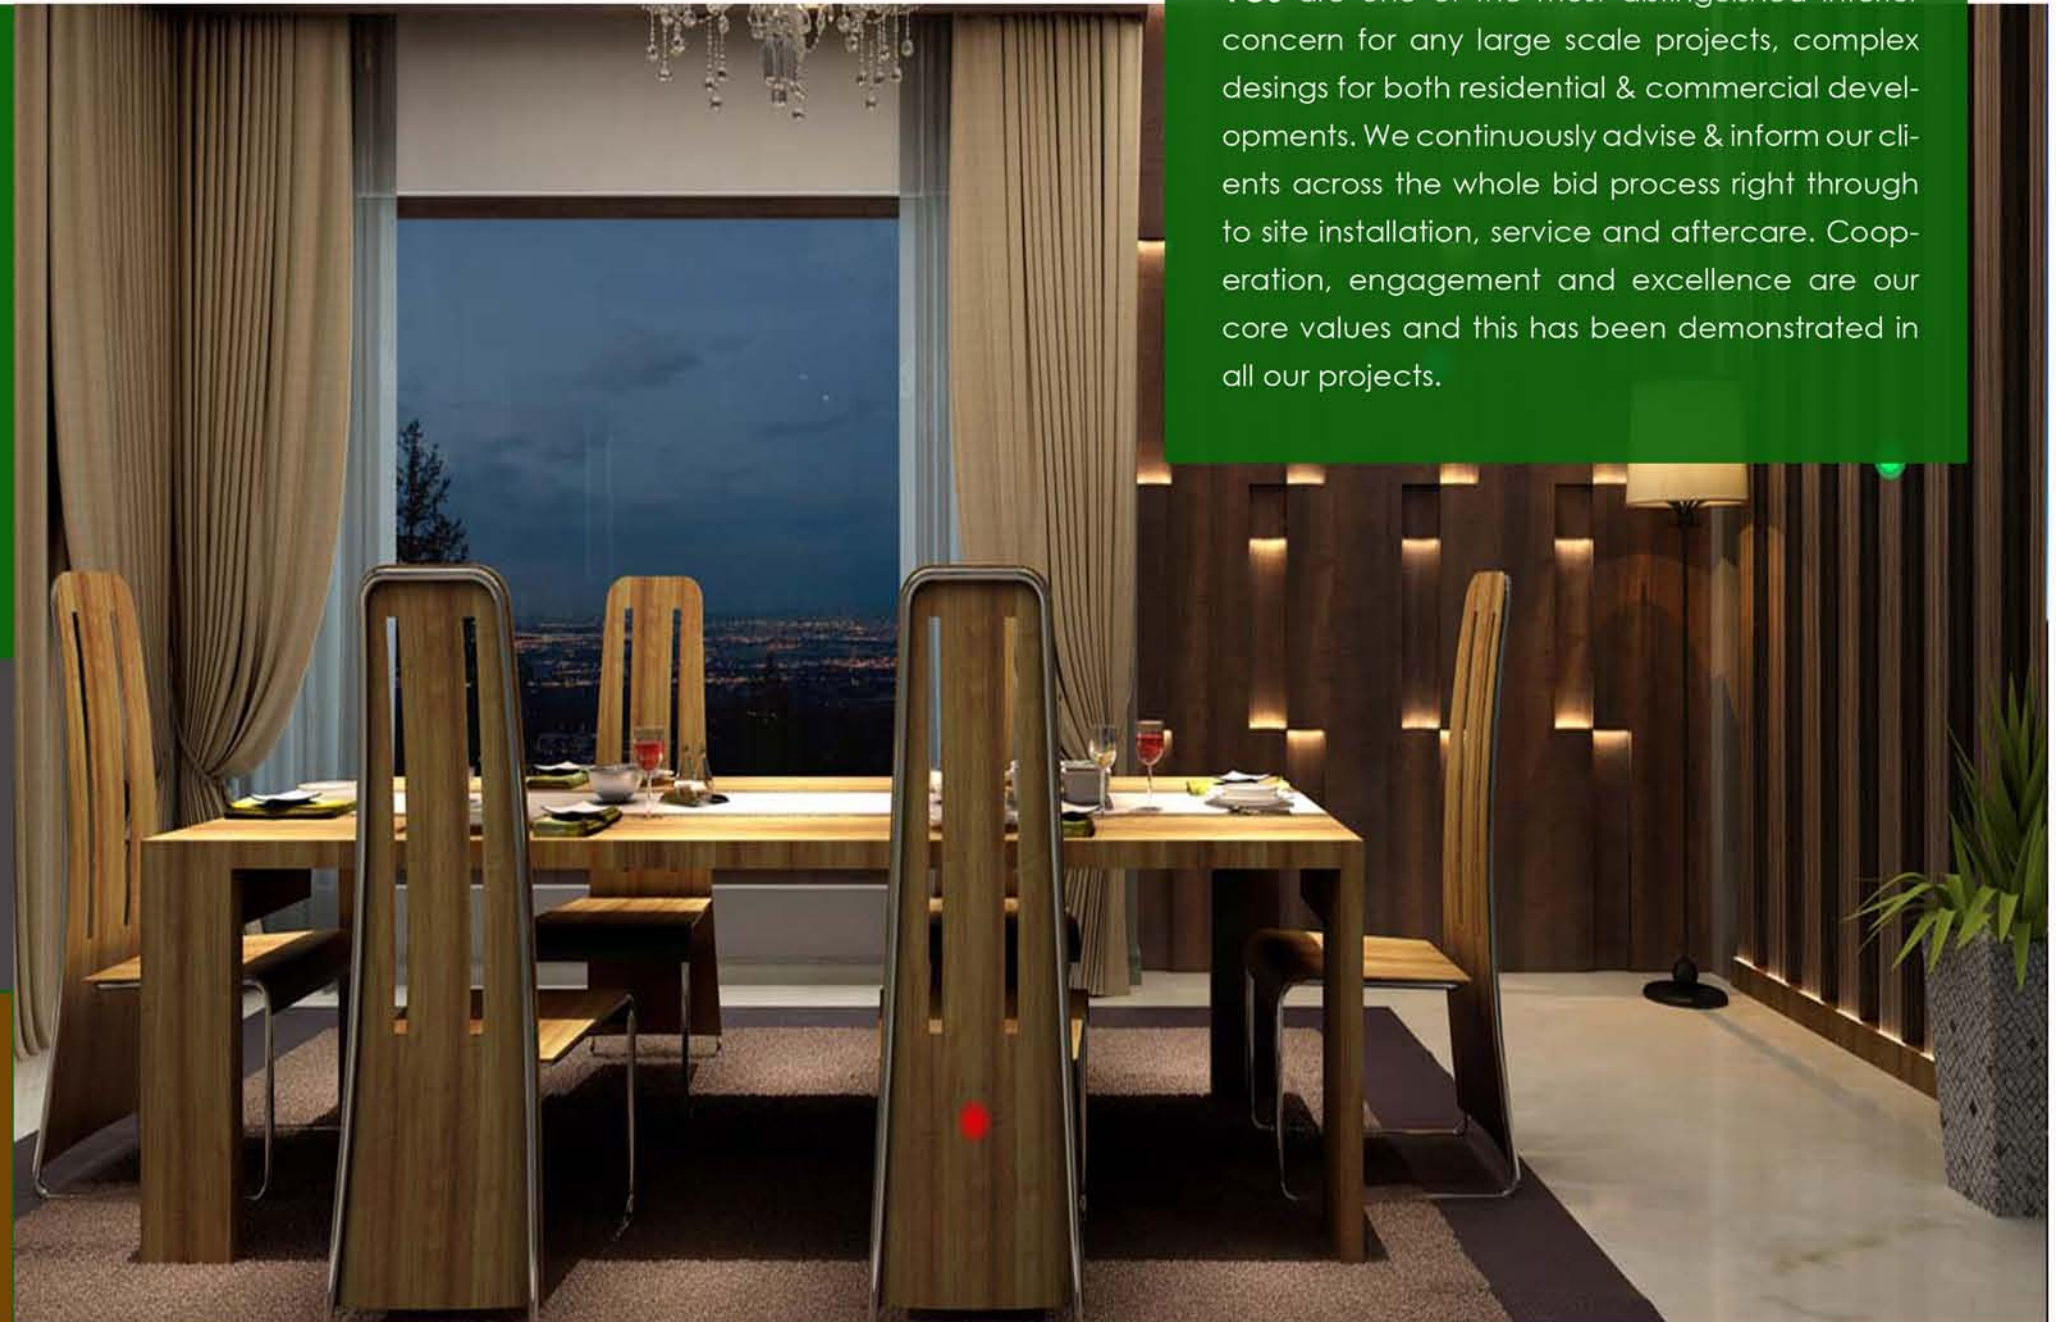

OUR MISSION

Our **MISSION** is to “provide solutions and products to build “**personalized bridges**” with the client for conducting business seamlessly”.

OUR VISION

Our **VISION** is to be recognised as the best, trustworthy and strategic architects and engineers for creative building environment”.

VGS are one of the most distinguished interior concern for any large scale projects, complex desings for both residential & commercial developments. We continuously advise & inform our clients across the whole bid process right through to site installation, service and aftercare. Cooperation, engagement and excellence are our core values and this has been demonstrated in all our projects.
